Anisa Black Storage Bench, Muslin

7000-0691

Overall: 18"h x 54"w x 20"d

Finish: Caviar Black/Natural

Materials: Oak Wood/Rattan Weave

Item Weight: 113 lb

The Anisa Black Storage Bench combines several weaving techniques. The natural oak form in caviar black finish is fitted with rattan cane panels, while the larger rattan sections are done in a radio weave and the smaller ones in an open weave. Not only does this mix it up texturally, it adds interest to this piece that was designed by Aimee Kurzner. The generous size of the storage area will make it a favorite go-to spot for storing linens, toys or other accessories.
