ITEM # 59-026

## CHAIRSIDE TABLE

This living room table is where industrial fashion meets everyday utility. At Kincaid we go the extra mile, and it really shows on the Foundry Chairside Table. Rather than take shortcuts, it is beautiful from every side with framed, solid wood panels, a concealed power supply, and a soft-close drawer for function that feels just as beautiful as this table looks.

- One drawer
- one door
- flip top with electrical outlet
- Norwegian Spruce

Solid Wood - Made using genuine solid wood construction

Electrical Cord Management - Electrical outlets built in for convenience
