**Brand:** Hooker Furniture

**Product Description:** The Banyon Bay California King Upholstered Bed offers luxurious comfort with its fully upholstered, padded design in Merino Buff fabric. Featuring wood block feet and a sleek, modern profile, this bed is perfect for contemporary interiors. The frame is made from white oak solids and oak veneers in a light Desert Oak finish, highlighted by wire-brushing and cerusing for added texture. Includes a headboard, footboard, and rails for a complete look.

**Collection Features:** Developed with an eclectic mindset, Banyon Bay is youthful and cool, combining precise geometry and gentle contours with natural textures and materials. Delivering smooth contemporary lines, this modern collection is a perfect fit for a casual lifestyle, moving effortlessly between urban, coastal, and mountain settings. Modestly scaled, this collection features white oak veneers and solids in a light Desert Oak finish, accented with an authentic mix of organic materials, creating a cohesive, casual look.

**Status:** New

**Finish:** The multi-step Desert Oak finish features wire-brushing and cerusing

**Features:** California King size

Includes headboard, footboard and rails

Fully upholstered padded design with wood block feet

Headboard can be used alone

**Material:** White Oak Solids, Oak Veneers and Fabric

**Finish Construction:** Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

**Frame Construction:** Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

**Fabric 1:** Merino Buff; Fabric Contents: 100% Polyester
