

AFFORDABLE LUXURY / 12" Medium Hybrid

NightsBridge™

Engineered to deliver true luxury and pampering. Enjoy a medium feel, balanced with ergonomic support. Perfect for those desiring cushioned comfort and a supportive sleep surface.

Luxury Dual-Choice Cooling Cover with SensICE

- High tech, cool-to-the-touch outer cover with SensICE™ textile reduces body temperature on contact and helps maintain optimum sleeping temperature so you fall asleep faster as your body cools down
- SensICE is smooth and luxurious with an instant cooling effect to skin, and its hyper-conductivity instantly moves heat away for a comfortably cool feel
- Choose from outer cooling cover or silky-soft inner cover with easy zip-off change

Kelv-Cool™ Graphite-Infused High Density Memory Foam

- Graphite Infusion creates thermal conductivity for effective and efficient heat dissipation, delivering a cooler sleep surface
- Open-cell structure enhances airflow and cooling for superior temperature regulation through the night

High Density 4.PhaseVisco™ Memory Foam

- Provides pampering with self-contouring comfort, less tossing and turning due to relieved pressure points, and motion absorption for less sleep disturbance between partners and deeper sleep
- Personalized, perfect comfort that hugs every inch of your body in luxury and supports you with ergonomic customization to your body weight and curves

All-Night Support+™ (ANS+) Foam

- Delivers support in balance with comfort for a superior sleep surface
- Durable foam is long-lasting and resistant to body impressions

Q4.Phase Dynamic Core™

- Zoned, individual compression/"pre-loaded" PocketedCoils dynamically start working the instant weight is applied, reacting individually and in combination in our Q4.Phase quad-pocket system
- Groups of four individual coils in our unique quad-system create a separate, additional spring unit for each key part of the body, creating superior comfort and multi-dimensional support to the entire body for both heavy and light body frames
