

## 150-BOTTLE WINE CABINET

30" Dual Zone Wine Cabinet (Right or Left Hinged)  
With Stainless Glass Door

For serious collectors, for the hospitality-minded, and for those who simply love knowing that their favorite varietal is always at-hand, the 30" Wine Column is without peer. Boasting intuitive dual-zone True Precision® Control, full-extension smooth-glide racks, and gentle TruLumina® LED lighting, the 30" Wine Column beautifully preserves, protects, and shows off up to 150 of your favorite bottles.

### EXCEPTIONAL FEATURES

Industry exclusive, 300-series stainless steel interior and exterior. Stainless steel interior is antibacterial, hygienic, easy to clean, and does not retain food odors.

All stainless steel, beautifully crafted proud hinges pass True's rigorous one million door opening test.

Beautifully crafted solid stainless steel doors with 120° stay-open feature and ergonomically designed, robust, tubular handles.

Commercially inspired lift-up grill on top of the unit with toe kick that complements the look of True's undercounter units.

Patented TruLumina® LED lighting gently illuminates your product and allows you to choose from 14 different color options with the push of a button.

Low-E, double pane, UV tinted glass doors.

Intuitive True Precision® Control and readout provides digital accuracy and easy operation.

2 independent zones with dual evaporators that can be adjusted from 40°F (4.4°C) to 65°F (18.3°C).

Full extension wine racks with unfinished cherry fronts that cradle your wine and prevent vibration.

Display shelf that proudly displays your collection along with additional storage behind display.

### ORGANIZATION
