Switch: 3-Way Turn Knob

Shade: Egg Shell Cotton Linen

Shade Dimensions: 16" x 17" x 10"h

Dripping with artistic appeal, the Cuprum Table Lamp earns its name from the copper glaze that enlivens its bottle-shaped surface. Trickling down from the point where the ceramic lamp's body begins to swell, a dark green glaze flows toward the bottom where it ends in runnels that expand in a painterly fashion.
