

# Loyd Multi-function Lift chair

## Loyd

With our Multi-function Lift Relaxers, receive added support and convenience with a variety of excellent functions. Helping you to tailor your comfort needs more specifically, our Multi-function Lift Relaxers will allow you to achieve your perfect relaxation zone, providing comfort where you need it most.

The Loyd Multi-function Lift Relaxer offers comfort where you need it most with a simple, laid-back design. Softly padded cushioning is created by deeper stitching lines, luxurious to the touch. The angular-shaped armrests provide a defining shape, along with solid comfort and support.

## The IMG promise

Our products are subjected to the highest Norwegian quality standards. Our comprehensive warranty policy is our promise to you that your furniture has been built to last.

**Warranty** - See warranty policy for more details.

10 years on molded foam cushions and steel frames  
5 years on mechanisms  
2 years on motor and battery-parts  
2 years on leather and fabric covers

DESIGNED IN NORWAY

## Up to 2 sizes available

See reverse for specific option availability.

## Functions - Features

### 1. Higher grade foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

### 2. Comfort precision headrest

Adjustable head and neck support gives you the ultimate comfort in all seating positions.

### 3. Effortless recline

The back recline and integrated footrest can easily be operated at the push of a button.

### 4. Steel interior springs

Steel springs located throughout the back and seat provide optimum support whilst cradling the body.

### 5. Solid frame construction

A steel and hardwood frame provides durability and strength.

### 6. Remote control system

Allows you to easily operate the lift function, the backrest and footrest, or return to the home position.
