## Sabine Cast Aluminum Vase Antique Brass

Flourish with florals that don't wilt. Sabine gives the classic petal motif a bold refresh. Cast in solid aluminum with a rich aged brass finish, it layers soft, ruffled texture over a grounded, sculptural form. The Art Deco–inspired detailing and vintage patina bring a sense of charm that feels considered. It's the kind of piece that feels both ornamental and intentional—pretty, yes, but far from fragile.

- Textured Floral Motif: Cast aluminum vase with a deep, aged brass finish and a decorative floral motif inspired by the Art Deco movement.
