Shape is rectangular

Product Dimensions: 62"W x 20"D x 31"H, Item Weight: 156 lbs

Item requires some assembly

Complete your perfect look by mixing and matching your decor with the extensive range of products from Butler Specialty Company! Discover endless possibilities to express your style and create a space that truly feels like home.

Black ball bearing glides with matching black pull hardware

Drawer dims: 30"W x 20"D x 7.5"H and ball bearing drawer glides

This piece features veneer work and engineered wood substrates. The wood veneer is used for a smooth and consistent color tone, while the engineered wood beneath it provides strength and structural longevity and allows us to achieve specific looks and functions that are not easy or able to be achieved with solid wood

Weight Capacity: 200 lbs

Ideal for use as a dresser in a bedroom or guestroom

To clean, wipe with a clean dry cloth and dust regularly. If spills occur, wipe spills with a damp cloth and dry immediately. No abrasives or household cleaners which can damage the wood. Drink coasters are recommended
