

Duality

Caracole

Taking cue from the sun and moon, this accent end table was thoughtfully designed to accompany our Full Break cocktail table in a similar mix of materials and finishes. Simple yet sophisticated, it is comprised of two pieces: a tall cylinder in Ivory Craze with a decorative Brushed Gold inlay, and a crescent shape in Dry Martini to showcase its linear wood grains. Style together to form a larger table or pull apart for greater function and to create individual points of interest.
