

EMMELINE

BED | FOA7147WH

DETAILS:

The enticing combination of glamour and Art Deco has long been attempted, but rarely with such successful results as achieved with this set. It is a visual masterpiece, harkening to the days of Old Hollywood while establishing a rich, dynamic concept for the bedroom. The embroidered padded headboard shines as if illuminated. The jewel-carved faux glass feet support the components with regal authority. Classic embossed patterns tie the set together in one magnificent and highly desirable theme.
