

Audie Swivel Chair

Heirloom Sienna • 226408-005

Overview

For a new spin on traditional barrel seating, tailored top-grain leather and dramatic channeling make a major style statement. Hidden 360-degree swivel adds a modern finishing touch. Sourced from one of the oldest family-owned tanneries in Italy's Bassano del Grappa, our heirloom leather is salvaged and processed from upcycled hides featuring an abundance of natural markings, scars and color variations. The result? Supple, buttery-soft hides with an unmatched depth of color and authentic lived-in look.
