

Assembly Instructions

Twin Full Bunk

SAFETY WARNING

1. Follow the information on the warnings appearing on the upper bunk end structure and on the carton. Do not remove warning label from bed.
2. Always use the recommended size mattress or mattress support, or both, to help prevent the likelihood of entrapment or falls.
3. Surface of mattress must be at least 5 in. (127 mm) below the upper edge of guardrails.
4. Do not allow children under 6 years of age to use the upper bunk.
5. Periodically check and ensure that the guardrail, ladder, and other components are in their proper position, free from damage, and that all connectors are tight.
6. Do not allow horseplay on or under the bed and prohibit jumping on the bed.
7. Prohibit more than one person on upper bunk.
8. Always use the ladder for entering and leaving the upper bunk.
9. Do not use substitute parts. Contact the manufacturer or dealer for replacement parts.
10. Use of a night light may provide added safety precaution for a child using the upper bunk.
11. Always use guardrails on both long sides of the upper bunk. If the bunk bed will be placed next to the wall, the guardrail that runs the full length of the bed should be placed against the wall to prevent entrapment between the bed and wall.
12. The use of water or sleep flotation mattresses is prohibited.
13. STRANGULATION HAZARD—Never attach or hang items to any part of the bunk bed that are not designed for use with the bed; for example, but not limited to hooks, belts and jump ropes.
14. Keep these instructions for future reference.

SIZE OF MATTRESS AND FOUNDATION:

Use only mattress, which is 37 1/2" - 38 1/2" width and 74"-75" long on upper bunk (twin size.) Ensure that the thickness of the mattress does not exceed 7" and that the mattress surface is at least 5" (127mm) below upper edge of guardrails.

Use only mattress, which is 53" - 54" width and 75" long on lower bunk (full size.) Ensure that the thickness of the mattress is at least 8" and does not exceed 10".

WARNING:

Adult Assembly Required. This package contains small parts. Keep away from children.

Replacement Part :

Replacement part, including additional guardrails may be obtained from any Elements International Group,LLC Dealer.

DISTRIBUTED BY :

ELEMENTS INTERNATIONAL
GROUP LLC.
2020 Industrial Blvd, Rockwall.
TX 75087

Caution: Please read instructions thoroughly before unpacking assembly parts. Sharp, exposed staple tips can cause injury, therefore, for your protection, please remove any exposed staples used in packing.

1. We recommend that you should assemble this product with the assistance of another person; this will make assembly easier, and will help to eliminate damage to the product or injury to persons during assembly.
2. Be sure to check all packing materials carefully for small parts that may have come loose inside the carton during shipment.
3. Please do not over tighten screws or bolts.
4. Please put all parts on a non-abrasive floor before assembly, and follow the assembly steps to assemble your newly purchased product correctly and efficiently.
