Alma Natural End / Side Table
20.5" W x 18.5" D x 23" H • 8.98 CUFT • 96 lb.

Simplicity and minimalism collide in the design of this Alma oak end table. An unassuming design and simple, modern lines make this table a perfect fit that blurs the lines between traditional and contemporary, so it fits in nicely wherever you choose to use it. It's made from oak veneer for lasting beauty and sturdiness, and the end table's oak finish is both elegant and refined. Use it alongside other items in the Alma collection for a total room refresh.
