moisture areas. Trim any loose fibers
with scissors.

For cleaning Raffia, use a dry cloth or
paint brush to remove dust. Raffia is
a natural material that is inherently
heat and humidity resistant. All our
Raffia has a topcoat of clear lacquer
to give added protection against
stains, spills and fraying without
removing the natural texture and feel
of raffia. If any fraying occurs, just
simply cut the portion of fray with
scissors.
