

V978S - Maria (Dining Side Chair)

As Shown: V978S. Fabric: Lamora Coral. Finish: Hampton.

This Continental neoclassical Maria Dining Chair uses simplified, stylized design elements. The plain exposed frame has a rectangular upholstered panel back under a floating top rail with a center "stop-turned" hand pull. The simplified form allows for both a transitional and traditional interpretation, depending upon frame finish and cover application. The simplicity of the form will bring a fresh look paired with a traditional table, while at the same time softening a modern table.
