## TAKE YOUR SLEEP TO THE NEXT LEVEL

### HEADBOARD WITH LED

The integrated dimmable LED light creates the perfect environment to relax, read, or gently awake.

### HEALTH SENSORS

By combining the sleep score, fatigue level, and body battery, the ErgoSportive™ system calculates an exclusive recovery index and provides suggestions to promote recovery.

### ANTI-SNORE

Automatically and gently raises the head of the bed to alleviate the effects of snoring.

### SMART SYSTEM

The ErgoSportive app allows you to access your sleep reports and health metrics in one place. Share your sleep report with a coach, trainer, doctor, or a loved one.

### RELAXATION MOTORS

Wake up or fall asleep with gentle and soothing vibrations. Enjoy two intensity levels with a programmable timer.

### ONE-TOUCH ZERO-G®

Promote circulation, improve air-flow and relax the back with one-touch Zero-G positioning.

### USB 3.0 & USB-C PORTS

Charge your devices while you recharge your battery with ports under each side of the bed.

### FLEX-DECK

Molds perfectly to your mattress for added comfort.
