

Description

Leon's flagship Timbre SEVEN bookshelf speakers celebrate a 20-year history of American craftsmanship, acoustic engineering, and timeless aesthetics. Each speaker features handmade 7" aluminum cone woofers and 25mm cloth-dome tweeters mounted in a solid billet aluminum baffle. The cabinet is handcrafted from 1" solid hardwood butcher-block and hand finished to bring out the natural character of the wood. Ideal for a contemporary two-channel listening room or filling a dedicated space with high-output, theater-quality sound.
