

# ELECTRIC OVENS

RDSOE306 – 30" WIDE SINGLE OVEN

RDDOE306 – 30" WIDE DOUBLE OVEN

## Features and Functions

- Extra large oven cavity provides for all your cooking needs
  - 4.3 cu. ft. overall
  - 3.8 cu. ft. measured to AHAM standard(See specifications chart for oven interior dimensions)
- High performance cooking modes include Two Element Bake, Convection Bake, TruConvec™ Convection Cook, Convection Roast, Convection Broil, Hi Broil, Medium Broil, Low Broil, Convection Dehydrate, and Convection Defrost
- Two-speed convection system circulates air throughout entire oven cavity for maximum airflow and excellent cooking results (both ovens in double oven)
- 10-pass broiler with heat reflector provides excellent results for a variety of broiling applications
- Concealed six-pass element provides excellent temperature control while allowing oven cavity to be easily cleaned
- Meat probe ensures perfect baking/roasting of meats (upper oven only in double oven)
- Each oven has five porcelain-coated rack supports and comes standard with three heavy-duty oven racks, including two TruGlide™ full extension oven racks
- Digital clock/timer
  - 100-minute timer allows you to set cooking time for up to 12 hours
  - Tone and digital display indicate when pre-set cooking time is finished
- Custom oven settings offer options including degree format and clock format
- Two halogen oven lights provide plenty of light throughout the oven cavity
- Heavy-duty broiler pan and tray provide better broiling performance
- Star-K certified with dedicated Sabbath mode

## Easy Operation and Cleanup

- Extra large self-clean convection oven
- Concealed six-pass bake element makes cleaning bottom of oven easy
- Durable metal die-cast control knobs

## Multiple Design Options

- Standard or flush mount installation
- Oven can be installed flush to cabinet with accessory flush mount installation kit

## Installation Accessories

- Flush mount installation kit for single oven
- Flush mount installation kit for double oven
