Hansen Dining Table Rustic Oak

Keeping it simple never looked so good. Hansen leans into clean lines and solid shapes. A cylindrical pedestal base supports a round top with a generous edge, giving the form quiet strength and sculptural presence. Balanced proportions and a rustic oak finish add warmth and character. Minimal in silhouette, rich in detail—this is presence without the performance.

- **Solid Foundation:** The simple cylindrical pedestal base offers a clean foundation.
- **Round with an Edge:** The round tabletop boasts a thick edge, adding visual weight and a sense of craftsmanship.
- **Strong Finish:** The understated silhouette allows the rustic oak finish to take center stage, showcasing its organic character.

Item Code	QO-1021-24-0
