

# NEW SANUS FOUNDATIONS® Basic Series Furniture

MODEL BFAV344

## Perfect for the corner of a room or flat against a wall

New to the SANUS Foundations Basic Series, the BFAV344 AV stand holds TVs up to 56" and adds a sleek, modern look to any room with its high-gloss black lacquered finish. The curved shape of this AV stand allows it to be positioned in the corner of a room or flat against a wall, making it more versatile than most AV stands. Adjustable feet enhance TV stability on uneven floors, and large cable management holes ensure AV cables are organized for a clean appearance. The BFAV344 can be combined with the FMK056 mount kit for an easy mounting solution anywhere in a room.

BFAV344

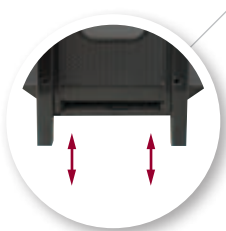

Works great in corners  
or against flat walls

Generous wire management  
holes keep AV cables organized

Free up space by combining  
with the SANUS FMK056 for  
a pillar-mounted solution

Adjustable feet keep TV  
level on uneven floors for  
improved stability

Stylish curved shape  
complemented by high-gloss  
black lacquered finish
