

# Introducing **NEW** Big Green Egg Custom Cooking Islands

To connoisseurs of outdoor living, the Big Green Egg is synonymous with innovative design and the highest quality products. And now the Big Green Egg product line is enhanced with an exclusive line of Custom Cooking Islands — engineered specifically for the Big Green Egg.

The Big Green Egg Custom Cooking Islands are available in a 76 in / 1.9 m length or a more compact 60 in / 1.5 m length. Designed for XLarge and Large EGGs, the Islands feature high-quality aluminum and steel construction with solid stainless door pulls, a heavy-duty sliding shelf, ample storage cabinets for charcoal and utensils, locking casters and a durable, weather resistant powder-coated finish. The 76 inch Island also includes a convenient paper towel holder.

The unique rounded contours of the cabinet and top counter design, which are exclusive to Big Green Egg, create a functional home for your EGG that adds a striking design to any backyard! Backed by the company's commitment to exceptional quality and lasting value, the Big Green Egg Custom Cooking Islands are so outstanding that they come with a Limited Lifetime Warranty for defects in material and workmanship.
