Theo 2 Drawer Nightstand Berry

Curved and functional—just how we like it. A rounded, sculptural silhouette brings the Theo nightstand into modern and Scandinavian bedrooms, with no sharp edges in sight. Solid oak in a light wire-brushed finish deepens the grain, here in a warm, deep berry tone that grounds the bedroom. Two felt-lined drawers glide on soft-close hardware with safety stops, making late-night grabs smooth and quiet. Soft shape, steady function.

- Soft Shape, Clean Look: A curved silhouette with no sharp edges gives Theo smooth lines and a soft presence rooted in easy Scandinavian design.
- Wire-Brushed Oak: Solid oak in a light wire-brushed finish deepens the natural grain, finished in a warm berry tone that reads rich and grounded.
- Made To Last: Solid wood construction gives the nightstand everyday strength and stability, standing up to nightly use and the small rituals of a bedside for years.
- Quiet Storage: Two felt-lined drawers with soft-close glides and safety stops make late-night grabs smooth, silent, and satisfying every single time you reach in.
