FARMSTEAD EXECUTIVE CREDENZA/HUTCH - COMPLETE

The Farmstead Desk Credenza is designed to offer most of the function of a full executive desk with the large footprint of the approach side. Because of this it is made to sit against the wall and is shown here with its matching hutch (it can also be used on its own). The desk piece includes a drop-down center drawer front for easy keyword access, a cord access port in the top, and file storage in the bottom drawers. The Hutch includes lovely seeded glass doors, adjustable shelving, and touch lighting.
