

URBAN RAVER™

AH-C100BU

In-Ear Headphones

DENON®

High-Performance Sound, Professionally Tuned for Big Bass.

Denon's Urban Raver™ AH-C100BU In-Ear Headphones feature 11.5mm drivers encased in a hybrid metal housing and are professionally tuned to deliver high performance bass sound. The hybrid metal housing construction, which consists of a combination of precision machined aluminum alloy and a sophisticated resin compound, deliver a resonance-free playback performance. The 11.5mm driver diaphragms are driven by ultra high efficiency neodymium magnet motor structures for dynamic sound as well as low power consumer. The non-tangle cable includes an in-line remote (for control of Apple iPod®, iPhone®, and iPad™) and microphone for clear phone conversations when you are on the go. Customize the fit with your choice of ear tips included (Silicon: S, M, L or Comply™ Foam). Further enhance your listening experience by downloading the Denon Club app, available for Apple iPhone, iPad, and Android® smartphones.

Denon Headphones Sound Like You, Fit Like You, Move Like You.

Denon Headphones are engineered from the ground up to provide the best-in-class personal listening experience for your lifestyle. Denon's line of Urban Raver headphones are designed for trendy music enthusiasts that like an accentuated bass curve, providing an experience that Sounds like You™, Fits Like You, and Moves Like You, so you can feel the music like never before.
