Bisque with Natural Pine Finish French & English Dovetail Construction Wood-on-Wood Drawer Glides	Hardwood Solids & New Zealand Pine Veneers Adjustable Shelf (OT1021) Satin Nickel Knob & Cup Hardware

Collection Story: Design is not just about how something looks but also how it makes you feel. A glowing sunset, the texture of a sand beach, smells of the salt air, all these can be inspirations for decorating your home. Ocean Isle creates a relaxed interior look that works for coastal styles, county, & cottage interiors. A soft Bisque finish combined with natural pine tops create a nice contrast accented with satin nickel cup pull hardware.

Casual style upholstery would be enhanced with the Ocean Isle occasional. Meant for a family room that is lived in, the planked pine top occasional only looks better with age. The cocktail features turned legs with two storage drawers for remotes and a bottom shelf for magazine. Add in a drawer end tale and chairside chest with a louvered door and your room is complete.
