

FOUR MOTOR INFINITE POSITION WITH POWER HEADREST, LUMBAR & AIR MASSAGE

FDA Class II Medical Device¹

Shown in full recline

Shown in Capriccio Saddle

We don't call it "elite" for nothing. The Saddle is a truly distinctive infinite position power recliner designed to help you relax in comfort and style. Adjust the headrest and lumbar to achieve a perfect resting position and let our air bladder massage system soothe every bone in your body. You can lay flat as the back and chaise work independently, or feel free to sit back and enjoy your favorite drink with cup holders and pull-out arms.

KEY FEATURES AND BENEFITS

- **Infinite position: lay-flat, recline & lift** — Recline to your comfort zone, or use the lift function to aid in sitting or exiting your chair
- **Four-motor comfort system:**
 - Power-tilt headrest and power adjustable lumbar
 - Dual motors allow the footrest and back to be controlled independently
- **Air massage system**
 - Both arm panels pull out each holding a cup holder on either side
 - USB port in remote – charge your tablet or phone from the comfort of your recliner
 - Easy-to-reach side pockets on both sides – store your magazines, newspapers or remote controls
 - Chaise pad construction – Head to toe comfort and support
 - Standard glide-extension footrest
 - Furniture grade hardwood/plywood construction
 - Heavy duty steel lift mechanism
- **Lithium battery backup pack ensures your recliner is operational when the power goes out**
- **Warranty: two years on parts and service; limited lifetime on steel lift frame**

1. Mega Motion® Power Recliners are FDA Class II Medical Devices designed to aid individuals with mobility impairments.

The information contained herein is correct at the time of publication; we reserve the right to alter specifications without prior notice.

*The suggested user height guide recommendations are given for general reference on best fit. However, each person's comfort level and preferences when sitting in the chair will vary, and the user's feet/legs may extend over the foot rest.

All dimensions are calibrated to design specifications, but due to the nature of components and manufacturing tolerances may have a variance of +/- 1". Note: Specifications and product information subject to change without prior notice.
