

## MDR-MA100

Sony® Stereo Headphones

Be one with your music and movies with MDR-MA100 Stereo Headphones. Featuring a lightweight and comfortable open-air design for a natural sound field, 40mm driver units for expressive sound, and dependable ferrite magnets for powerful sound, these headphones won't stand between you and the moment.

### Open Air

An open-air design delivers not only a lightweight, comfortable, and airy feeling, but also creates a natural sound field that mimics listening to music without headphones.

### 40mm Diaphragms

Proven 40mm, dynamic driver units provide just the right balance of rigidity and response for balanced audio reproduction time and again...

### Dependable Audio

Ferrite drivers provide dependable audio performance.

### Comfortable Fit

The lightweight frame easily adjusts to provide long-term comfort.

### Perfect for home use

A 2.0 meter, Y-type cable lets you connect to various audio devices.
