

Miri Large Shelf Oak

COLORS: Natural

OVERVIEW

The Miri shelf's open concept and Mid-Century Modern style make it an ideal space divider and/or bookshelf. Slide two shelving units together to create a larger seamless unit with five levels of space. Made with white oak veneer over MDF and PU lacquer, this shelf is a testament to versatility in design.

- White oak veneer over MDF. Please note that unique variations should be expected due to the wood's distinct character
- PU Lacquer
- Full assembly required
