

TONECASE® FOR SONOS®

TcFIT FOR SONOS PLAYBAR®

Description

Leon's TONECASE FIT® mounting system is designed to complement and conceal the SONOS PLAYBAR, mounting it directly above or below any TV. Each system is outfitted with a custom-width grille covering, fully integrating the PLAYBAR with the display to create a design-friendly solution for Sonos.

Key Features

- Mounts the Sonos PLAYBAR directly to the TV or wall
- Available in 2 sizes to accommodate displays up to 90" diag.
- Includes a custom grille built to match the exact width of any TV including accommodations for logos, IR sensors, etc.
- Includes mounting hardware with multiple points of articulation for a perfectly flush install
- Ships in just 3-5 days
