Product Description: Beautifully balanced, this 8 drawer dresser delivers a surprising amount of storage in a clean, appealing design. Three smaller drawers define both the right and left edges, ideal for socks, accessories, and smaller clothing items. Two large drawers underneath store pants, pajamas, and sweaters. In the center, a chevron-accented door opens to reveal a roomy storage cubby with a single adjustable / removable shelf. A darker contrast top completes the look, and a performance laminate finish offers protection against scuffs, fading, cracking, and other age wear for longevity.

Collection Features: Riverwood has the look and feel of wood, executed in a durable resin laminate. Dark tops contrast with the lighter tones for interest and a modern farmhouse appearance. The headboard features a board-on-board design creating a rhythmic pattern.

Drawer Construction: Samuel Lawrence offers full height, full depth and full width drawers for maximum storage capacity. All drawers have strong, time-tested English or French dovetail construction, for years of problem-free use. Plywood drawer bottoms are attached to plywood drawer sides for strength and durability. Metal side guides or wood on wood guide systems operate smoothly.

Finish Construction: Riverwood has the look and feel of wood, executed in a durable resin laminate. High performance laminate surfaces resist cracking up to 158 F, staining, scratching, abrasion, burns, moisture, impact, and fading.

Frame Construction: Samuel Lawrence Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Cleaning Information: L: Gently wipe with a water dampened white cotton cloth. Wipe dry with a clean dry cloth. Clean spills immediately with a soft, slightly damp cloth.
