LE CORNUFÉ

*“I’m a man of simple tastes.
I’m always satisfied with the best.”*

OSCAR WILDE

The CornuFé Series offers a La Cornue for those who have high culinary standards, but do not need the size and customizations of the Château Series.

CornuFé offers a choice of twelve finishes and three trims, with cooktops that feature five powerful gas burners.

The CornuFé assuredly exhibits the quality and spirit of La Cornue — made with materials and craftsmanship held to the same elite standards as our Château ranges.

FLAMBERGE RÔTISSERIE

The Flamberge Rôtisserie is a wall-mounted gas rôtisserie designed for residential use. Constructed with a concave rear wall of solid cast iron, it is heated by a powerful gas burner set beneath three motorized spits. Synthetic wicks pull the heat up through the vaulted back of the unit, allowing the radiant heat to gently cook foods as they rotate slowly on a spit over the flame. Porcelain Drip Tray, two straight metal spits and one fish basket included. Unit is zero-clearance and does not mandate installation within fire-retardant material.
