Product Description: Cozy chic is married to a clean modern profile with the Modern Mood Upholstered Arm Chair, featuring a comfortable fully upholstered seat and arms with a rounded open back. The versatile chair moves easily from place to place on casters and is upholstered in the Inverness Natural boucle fabric.

Collection Features: Unbound by geographical design, Modern Mood presents itself as an evolution of design choices, spanning a variety of decades and design movements, while maintaining an unmistakably modern aesthetic that transcends time. The 90-piece collection includes bedroom, dining room, home office, accent and occasional items characterized by substantive forms with soft architectural details. Frame Construction: Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Important Use Information: We are not responsible for damage to carpets, rugs or other makes and models of flooring caused by caster use.
