

# SCR49SSG

### 83.75" x 55.25" x 31" (H x W x D)

49 cu.ft. commercial reach-in refrigerator in complete stainless steel with glass doors

#### **Highlights:**

Commercially listed to NSF standards

Glass doors provide a full display of stored products

Stainless steel interior and exterior cabinet for true durability in high traffic commercial settings

## **Product Features:**

| Complete stainless steel construction           | Interior and exterior are entirely constructed from stainless steel for lasting durability and easy cleanup   |
|---|---|
| Forced air cooling                              | Top-mounted commercial fan ensures rapid temperature recovery   |
| Glass door                                      | Full display of the interior, with an anti-condensate door frame heater to ensure a clear view  |
| Automatic defrost with adjustable cycle defrost | Adjustable cycle defrost operation ensures the unit avoid temperature spikes and ice buildup  |
| Self-closing doors                              | Closes to save energy but will remain open when the door is opened at a 90° angle for easier loading  |
| Open door alarm                                 | Alarm will beep 3 times if the door is left open for 30 seconds, 5 times at 60 seconds, and will sound continuously if the door is open for more than 5 minutes |
| Temperature alarm                               | Visual and audible alarms alert if the interior temperature rises or falls out of set range   |
| 6 inch casters                                  | Ships with a set of casters (2 locking) for optional user installation  |
| Microprocessor control panel                    | Digital controls with a large LED readout in Celsius or Fahrenheit for intuitive temperature management   |
