PRODUCT SUMMARY

Collection: Any Finish, Any Size, Chaddock Select, fig, US Made

fig by Chaddock makes it easy to create custom, American made casegoods quickly and easily, all without sacrificing quality and designer detailing. Drawing on years of bespoke woodworking in our North Carolina workroom, our team developed a program to provide flexibility and freedom while streamlining design, engineering and manufacturing. The result is fig: the industry's finest and simplest program for configurable, bench-made casegoods.
