

PERSONALIZED COMFORT IN A PETITE RECLINER

Personalize your comfort with the MM-6420. This TruPetite lift chair approaches lay-flat with an “advanced” three-position single-motor mechanism that features an adjustable headrest. The hand control attaches magnetically to either side of the chair, and convenient USB-A and USB-C ports keep devices powered up

KEY FEATURES AND BENEFITS

- Experience the perfect blend of comfort and safety with our ergonomically designed chair. With a seat height of 17.5 inches from the floor and seat dimensions under 20 inches in both width and depth, it's tailored for those of petite stature. Now, you can comfortably rest your feet flat on the ground, ensuring a stable and secure seating experience
- Advanced three position single-motor mechanism that allows the chaise and backrest to operate independently using one toggle control button
- Water repellent fabric
- Convenient USB ports (USB-A and USB- C)
- Easy-to-reach side pockets on both sides – Store your magazines, newspapers or remote controls
- Furniture grade hardwood/plywood construction
- Heavy duty steel lift mechanism
- Remote comes through either side pocket for a right- or left-handed person
- Integrated emergency battery back up
- Warranty: Two years on parts and service; limited lifetime on steel lift frame
