Cord: 1' Black/White

The Bombelles Bronze Wall Sconce was designed to spread abundant light over a bathroom counter; the sconce joining others in the Bath Collection. The globe will be luminous when it is lit, as it is made of natural alabaster, and the oil-rubbed bronze finish on the metal adds warmth to the design. Alabaster is a natural material, so there will be slight variations in each of the fixtures. The Bombelles can be mounted with the globe pointing up or down.
