Product Description: Chic and modern with an eclectic mix of a fabric upholstered seat and inside back, White Oak Veneer wood on the outside back and a metal foot rail, the 41 ¼-high Curata Bar Stool is comfy and inviting in a Midnight finish and upholstered in the neutral Montlieu Opal fabric.

Collection Features: Create a curated chic modern look with an eclectic mix of sophisticated materials and finishes in the Curata Collection. Curata, meaning

"curated"□ in Italian, mixes materials like black nickel, stainless brushed brass and marble with three distinct rustic modern finishes for a simple, yet urbane design. Inspired by timeless shapes and chic materials, Curata exudes a "less is more"□ feel by spotlighting the design of each piece and giving precise attention to detail.

Status: Active

Finish: The finish is a deep, brown called Midnight.

Features: Fabric seat and inside back

Wood outside back

Midnight finish

Material: White Oak Veneers, Metal and Fabric

Finish Construction: Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

Frame Construction: Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.

Fabric 1: Montlieu Opal; 100% Polyester; Cleaning Code WS (Clean water-based Stains with water-based cleaning agent, clean oil-based Stains with Solvent cleaner)
