

## TUMBLE SLIPPER CHAIR

UB-1008-14

Seriously comfortable, seriously stylish. Either at home or in your commercial space, you can get cozier & cushier using furniture that encourages the softer moments of calm and focus - just like Tumble's mix and match modular pieces. Tumble's corduroy naturally softens the sharp edges and hard lines of other accents like coffee and end tables with its inherent plushness. An ideal slipper chair framed in solid eucalyptus wood with extra, fully down-filled, removable back cushions. This chair's soft corduroy will immediately add dimension, intrigue, lift, and comfort to any environment.

- Super soft corduroy fabric, perfect for lounging
- High-density foam seating for maximum comfort & durability with spring & webbing support
- Subtly exposed block leg design
- Modular furniture to configure as desired
- No assembly required
