Olia Table Lamp Terracotta

A wide, squat base with the weight of an ancient pot. That low, generous form gives the Olia table lamp a grounded, substantial presence, sitting solidly and confidently wherever it lands. A matte dark finish wraps the terracotta base in something smooth and velvety, rich and considered up close. A fabric shade keeps the light soft above it. Heavy on presence, easy on the eyes.

- Grounded Vessel Form: A wide, squat vessel base gives the lamp a low, substantial presence that sits solidly and confidently on a console, sideboard, or side table.
- Matte And Earthy: A terracotta base wrapped in a matte dark finish reads smooth and velvety up close, bringing rich, earthy depth to the lamp.
- Soft, Even Glow: A fabric shade casts a soft, even light that warms a room, balancing the heavy, grounded base with a gentle glow above.
