

# ADRF244CSS

31.88" x 23.38" x 22.5" (H x W x D)

24 in. wide ADA compliant 2-drawer refrigerator-freezer for indoor or outdoor residential or commercial use, stainless steel exterior with panel-ready drawer fronts

**Highlights:**

- 32" height allows easy installation under lower ADA compliant counters
- Panel-ready drawers allow you to create a truly custom look for your space
- Complete stainless steel construction inside and out

**Product Features:**

|                                        |                                                                                                                                                                                     |
|----------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 24" Wide 2-Drawer Refrigerator-Freezer | Complete refrigeration storage solution with top drawer refrigerator and bottom drawer freezer                                                                                      |
| ADA compliant design                   | Sized just under 32" high to allow installation under lower ADA compliant counters                                                                                                  |
| Built-in capable                       | Front-breathing design allows you to make the best use of space by installing your appliance under the counter and flush with other cabinets in 24" wide openings                   |
| Indoor/Outdoor compatible              | Constructed and approved for outdoor installation (as well as use indoors) with a fully sealed cooling system and weatherproof exterior                                             |
| Stainless steel drawers                | Drawer interiors and exteriors are fully constructed from 304 grade stainless steel for weatherproof durability and elegant style                                                   |
| Panel-ready drawer fronts              | Drawers accept overlay panels (size: 23.43" x 14.1" at 3/4" thick) to let you seamlessly blend the refrigerator into cabinetry design                                               |
| Professional handles                   | Sleek stainless steel handles add an elegant touch to any setting                                                                                                                   |
| Frost-free operation                   | No-frost operation for minimum user maintenance                                                                                                                                     |
| Digital thermostat                     | Electronic controls located on the top drawer ensure intuitive temperature management, with an external readout that can switch from Celsius to Fahrenheit at the touch of a button |
