BED | CM7413GY

DETAILS:

Take serenity home with this complete bedroom set from the Castile collection. Topped with beautiful crown molding details, the bold panel headboard and tall footboard cradles enough slats in between them for you to easily lay your mattress without the need for a separate foundation. On the sides are large underbed drawers lined with felt. Finally, the gray finish and the nickel cup pulls and round knobs complement each other well in tone and hue.
