

WILLAMETTE

NIGHT STAND | FOA7602N

DETAILS:

This Mid-Century Modern delight is made entirely from solid wood and is 100% American made. Finished in an attractive light oak, it features an array of special features. From the finely tapered legs to the addition of cedar and felt linings, this night stand is as luxurious as 'Green'-conscious products can be. The wood is from the most sustainable forest in the USA, making this one of our most exclusive offerings.
