HT-S200F

Wireless Bluetooth® Sound Bar | HT-S200F

Give your favorite shows and movies the sound they deserve with a 2.1ch soundbar and built-in subwoofer. This space-saving solution is designed to match the décor of your home, and puts you in the middle of the action with S-Force Pro Front Surround. HDMI ARC[2] and Bluetooth® technology[1] ensure a seamless connection with your TV without all the wires.

Bullets

- Movie surround with 2.1 channels
- Designed to match your home
- Built-in Subwoofer
- Hear sound come from all around
- Wireless connectivity with your TV [1]

- One Cable HDMI ARC[2]
- Stream with Bluetooth® technology[1]
- Connect with USB
- Wall Mountable

Features

Deep bass with built-in subwoofer

2.1ch sound bar with built-in subwoofer and two front facing speakers, and S-Pro Front Surround for cinema-emulating audio.

Designed to match your home

Why can't a sound bar look as good as it sounds? The compact one-bar design with built-in subwoofer matches your room perfectly.

Just one bar does everything

With the subwoofer built-in, there's no need for another box and extra cables around your room.

Hear sound come from all around

Our virtual surround sound technology puts you right at the heart of the movies you love by emulating cinema style surround sound.

Wireless connectivity with your TV [1]

Send audio to your sound bar wirelessly with a Bluetooth® connection.[1]

One Cable HDMI ARC[2]

Send audio and control information from your TV using just one cable with HDMI ARC.[2]

Stream with Bluetooth® technology[1]

Stream your music wirelessly with Bluetooth® technology.[1]

Connect with USB

Plug in via USB to play back your favorite albums.

Wall Mountable

Mount to the wall for seamless integration with your entertainment center.
