

## SAPPHIRA

CHAIR | CM6498BG-CH-PK

### DETAILS:

Take a look at this plush chair and imagine sinking into them after a long, hard day. Sit on the smooth seat cushions while you run your hands on the deeply tufted arms. Lean back and rest your head on the soft flannelette fabric while you pull a pillow closer and rest your arms on it. The striking looks are hard to ignore as well; its steel legs are polished in chrome to bring that irresistible modern appeal.
