Joan King Storage Bed Light Blue

Meet the bed with a secret—in the best way. Joan updates an upholstered frame with a contemporary attitude, and light blue keeps your space calm, pulled together, and ready for real life. A removable, washable polyester slipcover keeps light blue looking fresh, and supportive foam adds a cushioned edge for late-night reading. Lift the mattress with the hydraulic system to reveal storage for extra pillows, linens, and out-of-season layers. Sleep up top, stash below—Joan delivers.

- Tailored, Modern Lines: Tailored in light blue, a classic upholstered silhouette with contemporary proportions and a soft profile that works in minimal or layered rooms.
- Easy-Care Upholstery: 100% polyester slipcover is fully removable and washable, keeping spills, dust, and everyday life from overstaying their welcome on your bed.
- Solid Frame Core: Solid wood, plywood, and MDF create a stable base, with foam padding that helps the edges feel comfortable night after night.
- Lift-Up Storage: A hydraulic platform uses a 1000N piston to raise the mattress smoothly, revealing roomy storage for linens, blankets, and spare pillows.
