

BLACK DIAMOND

Contours. Regulates. Performs.

TIMBERLINE QUILTED

PLUSH

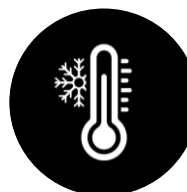

16"

CONTOURS

Engineered for Contouring Pressure Relief.

- High Density charcoal infused memory foam for all night relief
- Micro coil layer for enhanced pressure relief and airflow
- 9-Series wrapped coils for targeted support

REGULATES

Regulates Temperature for All Night Cooling.

- Graphene memory foam pulls heat away from the body
- Advanced IceFlex technology actively removes excess heat
- CoolTouch ultra cool cover creates a breathable sleep surface

PERFORMS

High-Performance Comfort.

- Premium high-density foam engineered for lasting durability
- Motion-isolating wrapped coils reduce partner disturbance
- Foam-encased edges maximize your usable sleep surface

WHY YOU'LL LOVE IT

- Cutting edge technology meets luxurious comfort
- Best-in-class cooling regulates temperature for 12+ hours
- Thoughtfully engineered for cooler, more restorative sleep.
