Ideal for use in Dining Room, Foyer, Hallway, Living Room, Bedroom, Family Room as buffet or sideboard and storage of cutlery, glassware, heirlooms

Product Care and Maintenance: For cleaning Raffia, use a dry cloth or paint brush to remove dust. Raffia is a natural material that is inherently heat and humidity resistant. All our Raffia has a topcoat of clear lacquer to give added protection against stains, spills and fraying without removing the natural texture and feel of raffia. If any fraying occurs, just simply cut the portion of fray with scissors.
