Vintage and rustic, the Big Sky Cabinet has a bold and simple design featuring seeded antique glass doors with a diamond-and-cross-beam pattern decorative overlay. The Charred Timber finish on the exterior contrasts with a Vintage Natural finish on the interior that reveals the authentic knots and wood grain of the Pecky Hickory Veneers. The doors have soft-close hinges, and behind them are two adjustable wood-framed glass shelves with a plate groove and one fixed wood-framed glass shelf in the center with a plate groove. The two lights have a 3-intensity touch switch on the right pack panel.
