W:78.75 x D:16.5 x H:36.25 • 20-130WB

This large scale sideboard is lightened in appearance by the use of serpentine detailing. Picture frame moldings highlight doors with working locks, and the interior opens to commodious storage with a removable shelf in each opening. The soft blue gray finish has been gently rubbed to both reflect the passing of time and to reveal the reclaimed pine below. Perfect for hiding lots of stuff, the generous surface is just waiting to be adorned with your favorite things.
